Correspondent provisions of the present Law shall also be applied to some liabilities and responsibilities of other persons, whose activity is connected with the operation of banks.

**Article 4. Banking System of Ukraine**

The banking system of Ukraine consists of the National Bank of Ukraine and other banks, which have been established and operate on the territory of Ukraine in accordance with provisions of the present Law.

Banks in Ukraine may operate as universal or specialized institutions. The banks, as to their specialization, may be classified as savings, investment, mortgage and settlement (clearing) banks.

A bank shall independently determine the trends of its activity and specialization as to types of operations. The National Bank of Ukraine shall regulate the activity of specialized banks through economic norms and normative-legal provision of operations performed by these banks.

A bank shall acquire the status of specialized bank when over 50 percent of its assets represent assets of the same type. A bank shall acquire the status of specialized savings bank when over 50 percent of its liabilities represent the deposits of physical persons.

The National Bank of Ukraine shall execute regulation and supervision in accordance with provisions of the Constitution of Ukraine, the present Law, the Law of Ukraine "On the National Bank of Ukraine," other legislative acts and own normative-legal acts.

**Article 5. Economic Independence of Banks**

Banks shall have the right to independently hold, use and manage property owned by them.

The State shall not be held responsible for the commitments of banks, and banks shall not be held responsible for the commitments of the State, unless otherwise provided by the legislation of Ukraine or contract.

The National Bank of Ukraine shall not be held responsible for the commitments of banks, and the banks shall not be held responsible for the commitments of the National Bank of Ukraine, unless otherwise provided by contract or law of Ukraine.

It is prohibited for bodies of state power and local self-government to in any way influence the management or employees of banks in the course of execution of their official duties or to interfere with bank activity, except for cases specified by Laws of Ukraine.

Damage, inflicted on the bank as a result of such interference, shall be subject to compensated in the procedure specified by laws of Ukraine.

**Article 6. Organizational and Legal Form of a Bank**

In Ukraine banks are founded in the form of joint stock companies, limited liability companies or a cooperative bank.
Legislation on the economic partnerships shall be applicable to banks in the part, which does not contradict the present Law.

**Article 7. State Banks**

A State bank is a bank, whereby the state holds 100 percent of the authorized capital.

A State bank can be established upon a decision of the Cabinet of Ministers of Ukraine. Herein, expenditures shall be foreseen in the draft law on the State Budget of Ukraine for the formation of the authorized capital of the State bank. The Cabinet of Ministers of Ukraine shall be obliged to obtain a positive conclusion of the National Bank of Ukraine in respect to the founding of a State bank. Obtaining a conclusion of the National Bank of Ukraine shall be obligatory in case of the liquidation (reorganization) of a State bank, with the exception of liquidation resulting from insolvency thereof.

The Statute and activity of a State bank must correspond to the requirements of the present Law, Laws of Ukraine and normative-legal acts of the National Bank of Ukraine.

The State bank statute shall be approved by a Resolution of the Cabinet of Ministers of Ukraine.

The National Bank of Ukraine shall register State banks in accordance with the requirements of the present Law and own normative acts of the National Bank of Ukraine.

The State shall carry out and realize ownership rights as to shares (stock), which belong to it in the authorized capital of the State bank through management bodies of the State bank.

The Supervisory Council and the Board shall be the management bodies of the State bank.

Controlling body of the State bank shall be the Auditing Committee. The Supervisory Council of the State bank shall appoint the personnel and quantitative membership of the Auditing Committee.

The Supervisory Council is the highest body of management of the State bank, which supervises bank Board activity with the aim of preserving the funds attracted into deposits, guaranteeing their return to depositors and protection of State interests as shareholder of a State bank and other functions stipulated by the present Law.

The composition of the State bank Supervisory Council shall be made up of members of the bank Supervisory Council, appointed by the Verkhovna Rada of Ukraine and the President of Ukraine. People’s Deputies of Ukraine, representatives of bodies of executive power and other persons that meet the demands set forth in this Article can be included in the Supervisory Council of the State bank in order to represent the interests of the State. The term of the authority of State bank Supervisory Council members shall be five years.

The President of Ukraine shall appoint seven members to the State bank Supervisory Council through the adoption of a respective Edict.

The Verkhovna Rada of Ukraine shall appoint seven members to the State bank Supervisory Council through the adoption of a respective Resolution.
Members of the State bank Supervisory Council can be citizens of Ukraine that have a higher economic or judicial education, or a scientific degree in the field of economy, finances and/or the law, in addition to work experience in bodies of legislative power or held managerial posts in central executive bodies of Ukraine, or banking institutions, or experience of scientific and practical work of economic, financial or judicial nature.

Members of the State bank Supervisory Council shall fulfill their functions without receiving any material remuneration.

A Chairman elected by the Supervisory Council from among its members shall head the State bank Supervisory Council.

10 members of the Supervisory Council shall constitute the quorum.

Supervisory Council decisions shall be adopted by a majority of votes of those present at the sitting of the State bank Supervisory Council members.

Internal issues pertaining to organizational activity of the State bank Supervisory Council and business matters shall be determined by provisions on the Supervisory Council, adopted at its sittings.

The power of the appointed State bank Supervisory Council composition and/or each of its members can be terminated upon the decision of the Verkhovna Rada of Ukraine and the President of Ukraine as to appointed persons thereof, but not earlier than one year after appointment. In case a provisional administrator is appointed for a State bank the power of the Supervisory Council shall be suspended in compliance to Article 78 of the present Law.

The State bank Supervisory Council shall be guided in its activity by the effective legislation of Ukraine, the present Law and State bank Statute. The Supervisory Council shall not interfere into the operational activity of the State bank.

Included into the competence of the State bank Supervisory Council shall be the adoption of decision on issues set forth in p. 1), 5) and 6) of Article 38 and p. 1) - 7) of Article 39 of the present Law, as well as other issues set forth in the present Law that are necessary for the regulation.

Decision on changing the size of the State bank authorized capital and suspension of its activity shall be taken by the Cabinet of Ministers of Ukraine. Herein the Cabinet of Ministers of Ukraine shall be obliged to receive a positive conclusion from the National Bank of Ukraine on the intention to change the size of the State bank authorized capital.

The power of executive body of a State bank shall be determined by the statute thereof. Candidates for the post of Chairman and members of the executive body shall be coordinated with the National Bank of Ukraine in accordance with requirements of the present Law.

The bank, established according to the procedure set forth in par 2 of this Article, has a right to add the word "State" to its name and to use the imprint of the Emblem of Ukraine and the State Flag of Ukraine.
In case a decision is taken by the State on the partial or complete alienation of shares (stock) thereof in the State bank, such a bank shall be deprived of the status of State bank. Shareholders shall be obliged to bring its status and activity into conformity to the demands of this Law and normative acts of the National Bank of Ukraine.

**Article 8. Cooperative Banks**

A cooperative bank shall be established in the procedure set forth in the present Law. Legislation on cooperation shall be applied to cooperative banks in the part, which does not contradict the present Law.

Cooperative banks shall be established according to territorial principle and divided into regional and central cooperative banks.

The minimal number of participants of a regional (within the oblast) cooperative bank cannot be less than 50 persons. If this number tends to drop and the cooperative bank is unable to replenish the number to the minimum required level within one year, the activity of this bank should be terminated through changing of its organizational and legal form or by liquidation.

Regional cooperative banks shall be participants of the central cooperative bank.

Attributed to the functions of the central cooperative bank, in addition to those set forth in the present Law, shall be the function of centralization and redistribution of resources, accumulated by regional cooperative banks, as well as supervision over the activity of regional cooperative banks.

The General Meeting of participants (shareholders), the Supervisory Council and the Board of Directors shall be the management bodies of a cooperative bank. The auditing committee shall be the control body. The management body and control body of a cooperative bank shall be set up and exercise its powers in accordance with the present Law.

The authorized capital of a cooperative bank shall be divided into pays. The minimal size of the cooperative bank authorized capital shall be established by the National Bank of Ukraine in conformity with the present Law.

Each cooperative bank participants shall have the right to one vote irrespective of the size of their participation in bank capital (stock).

Cooperative bank profits or losses as to results of the fiscal year shall be divided among participants in proportion to the size of their pay.

Restrictions, established by the present Law on bank operations with related persons shall not be applicable to operations of a cooperative bank.

**Article 9. Bank Associations**

The banks shall have the right to set up bank associations of the following types: bank corporation, bank holding group and financial holding group. Banks can participate in industrial/financial groups with adherence to demands of antimonopoly legislature of Ukraine.
Bank associations shall be set up upon preliminary agreement with the National Bank of Ukraine and subject to State registration by making a corresponding entry into the State Bank Register.

The procedure for receiving permit for the setting up a bank association and procedure for its registration by the State is established by the National Bank of Ukraine.

A bank can participate in only one bank association. Participants of a bank association shall indicate the name of the bank association before their own names.

Participants to a bank association shall have the right to leave the association maintaining their mutual commitments and concluded contracts with other economic entities.

A bank association shall be obliged to publish information in official periodicals – the newspapers “Uriadovy Kuryer” and “Holos Ukrainy” on the setting up of a bank association using the form approved by the National Bank of Ukraine, and on changes therein and on termination of activity thereof, as well as consolidated statements following the form and scope established by the National Bank of Ukraine.

Participants of a bank association shall be held responsible for obligations of its other participants in accordance with the agreement concluded by them.

A bank association shall be liquidated according to a decision of its participants or upon the initiative of the National Bank of Ukraine following a court ruling in case its activity contradicts antimonopoly legislation, or presents a threat to the interests of bank depositors or stability of the banking system. The liquidation of the bank association shall not terminate the activity of banks - its participants.

**Article 10. Bank Corporation**

A bank corporation is a legal entity (bank), the founders and shareholders of which can be exclusively banks. A bank corporation is set up with the aim of concentrating the capital of banks - participants of the corporation, raising their general liquidity and solvency, as well as providing coordination and supervision over their activity.

A bank corporation shall be subject to registration at the National Bank of Ukraine and entry into the State Bank Register. The authorized capital of a bank corporation shall meet the general requirements of the National Bank of Ukraine, pertaining to authorized capital of a newly established commercial bank.

The demands of the National Bank of Ukraine on granting licenses to bank corporation for certain operations shall be established on the basis of general demands for commercial banks, proceeding from the size of consolidated capital.

The foundation agreement and statute of the corporation shall include provisions for ensuring the fulfillment by the corporation and its members of financial commitments and obligations as to results of joint activity with the aim of guaranteeing the interests of creditors and depositors.

Banks, which became members of a bank corporation, shall delegate powers to the corporation to perform certain operations and ensure centralization of the fulfillment of certain functions. The following are subject to centralization within the bank corporation:

11) Copies of a report on the holding of open subscription to shares - for a bank established as an open joint stock company.

12) Data on professional skills and business reputation of the bank Chairman and members of the Management (Board of Directors) and the Chief Accountant of the bank.

The National Bank of Ukraine, within one week after the documents for state registration were submitted, shall open a temporary account for the accumulation of subscription fees of the founders and other bank participants.

The decision on state registration or denial of registration shall be taken by the National Bank of Ukraine not later than within three months from the moment the full package of documents, specified in this Article, was submitted.

The National Bank of Ukraine has the right to require correction of deficiencies in the submitted documents.
The registration of banks is performed through a relevant entry in the State Bank Register. After that a bank shall acquire the status of legal entity.

The National Bank of Ukraine shall issue a State Registration Certificate to the bank in the form established thereof.

**Article 18. Grounds for State Registration Denial**

The National Bank of Ukraine can refuse to register the bank in the following cases:

- Violation of bank establishment procedure.
- The foundation documents of the bank fail to comply with the legislation of Ukraine.
- An incomplete package of documents necessary for State registration was submitted, or these documents failed to meet the requirements of the present Law or the National Bank of Ukraine normative-legal acts.
- The National Bank of Ukraine has evidence proving the lack of impeccable business reputation or absence of satisfactory financial status of at least one of the founders that holds essential participation in the bank.
- Professional skills and business reputation of the Chairman of the executive body and Chief Accountant of the bank, as well as members of the bank executive body, fail to meet the requirements of the National Bank of Ukraine.

The National Bank of Ukraine shall be obliged to inform the bank’s authorized persons on incompleteness of document package and/or the inadequacy of professional skills and business reputation of the Chairman (Board of Directors) and Chief Accountant not later than one month from the day the documents were submitted.

The National Bank of Ukraine shall take a motivated decision on the denial to register the bank. A copy of the decision on the denial to register a bank, certified by the National Bank of Ukraine, shall be sent to the bank’s authorized person by a recommended letter or signed for upon delivery.

The denial to register a bank cannot be made on grounds other than those listed in this Article.

**Article 19. Banking License**

A bank has a right to carry out banking activity only after obtaining a banking license.

Not a single person shall have the right to simultaneously engage in deposit-taking and other repayable funds, extending loans and servicing accounts without a banking license. Persons, guilty of carrying out banking activity without a banking license, shall bear criminal, civil or administrative responsibility in accordance with the laws of Ukraine.

A banking license shall be issued by the National Bank of Ukraine upon the petition of a bank, provided that there are the documents confirming the following:
existence of paid in and registered subscribed bank capital in the amount, established by
the present Law;

bank has appropriate banking equipment, computers, software and premises in
compliance with the National Bank of Ukraine requirements;

there are at least three persons, appointed the members of the Management (Board of
Directors) of the bank, who have the education and experience necessary to manage the
bank.

The National Bank of Ukraine can refuse to issue a license if the bank fails to fulfil the
conditions set forth in this Article within one year from the date of state registration. In
this event the state registration of the bank will be abolished and the bank liquidated.

The decision to grant or to deny a banking license shall be taken by the National Bank of
Ukraine within one month from the day it receives a full package of the documents listed
in this Article.

The banking license cannot be transferred to third persons.

**Article 20. Grounds for Revocation of the Banking License**

The National Bank of Ukraine can revoke the banking license exclusively in the
following cases:

1) It is revealed that the documents, submitted for a banking license, contain false
information.

2) The bank failed to carry any banking operations during one year from the day the
banking license was granted.

3) A notarized extract from the trade (banking) register, from the place it was issued, or another official document, which affirms the registration of the foreign participant in the country, where the head office of the foreign investor is registered.

4) A notarized copy of the foreign audit firm conclusion, from the place it was issued, on the financial state of the foreign investor at the end of the last full calendar year. In case the indicated conclusion is provided by a foreign audit firm, not included in the list of foreign auditing organizations, recognized by the National Bank of Ukraine, such conclusion should be confirmed by a Ukrainian audit firm.

Documents listed in pp. 1,2 (with the exception of assurance of the foreign investor) 3,4 in par 1 of this Article should be legalized in the established procedure, unless otherwise provided by international agreements, ratified by the Verkhovna Rada of Ukraine.

In cases when the foreign investor is a physical person he/she shall submit:

1) A written consent for the participation of the foreign investor in a bank in Ukraine, issued by a state or another authorized controlling body of the country, the legislation of which requires such permit; or written assurance of the foreign investor as to the absence of demands for preliminary permits for investments abroad in the legislation of the country of residence. The written consent should be legalized at a consulate institution, unless otherwise provided by an effective international agreement, ratified by the Verkhovna Rada of Ukraine.

2) A form questionnaire containing, among other things, information that the individual has no previous convictions.

In case the documents indicated in this Article are written in a foreign language, they should be accompanied by a notarized translation into Ukrainian.

The National Bank of Ukraine shall have the right to reject the registration of a bank with essential foreign participation if at least one of the documents, specified in this Article are not available or any of them is not executed properly. The rejection shall be submitted in written form with indication of corresponding reasons.

Chapter 4
BRANCHES AND REPRESENTATIVE OFFICES OF BANKS

Article 23. Procedure for Opening Branches and Representative Offices of Banks on the Territory of Ukraine

Branches of banks shall be opened upon the approval of the National Bank of Ukraine on the basis of the following documents:

1) Application of the bank to open its branch, stating location and principle activities of the proposed branch.

2) Decision of the bank Supervisory Council on the opening of a branch.

3) Provision on the branch approved by bank Supervisory Council.

4) Information on branch manager and chief accountant.
The National Bank of Ukraine shall verify the suitability of premises and equipment of the branch according to requirements of the National Bank of Ukraine.

The National Bank of Ukraine shall have the right to refuse approval of the establishment of a branch on any of the following grounds:

1) Submitted documents fail to meet the requirements of the present Law or normative-legal acts of the National Bank of Ukraine.

2) The premises and equipment of the branch do not meet the requirements of the National Bank of Ukraine as to the safekeeping of valuables (in case a branch intends to work independently with cash and valuables).

3) The proposed candidates for manager and chief accountant of the branch fail to meet the requirements of the present Law as to professional suitability and business reputation.

4) It was revealed that the applicant bank is experiencing financial or legal problems, which indicate possible negative consequences for clients or for potential bank clients as a result of branch opening.

Registration of bank branches shall be performed by the National Bank of Ukraine within one month from the moment of submission of all required documents by an entry of a supplement in the State Bank Register.

The banks shall be obliged to submit information to the National Bank of Ukraine on the opening of a representative office, to be entered into the State Bank Register.

**Article 24. Procedure for Registration of Foreign Bank Representative Office on the Territory of Ukraine**

The registration of representative offices of non-resident banks shall be carried out by the National Bank of Ukraine.

The following documents shall be submitted for registration:

1) Application for registration of the foreign bank representative office signed by an authorized person.

2) Extract from the bank (trade) register or another official document, which confirms the registration of the foreign bank.

3) Provision on the representative office.

4) Power of attorney from the foreign bank to perform representative functions.

The above-mentioned documents, with the exception of the application for the registration of a foreign bank representative office, shall be notarized at the place of their issuance, and legalized at a Consulate of Ukraine unless otherwise provided by an effective international agreement, ratified by the Verkhovna Rada of Ukraine, and must be accompanied by a notarized translation into Ukrainian.
The National Bank of Ukraine can reject the registration of a foreign bank representative office in case of violations of the registration procedure, non-conformity of the submitted documents to the legislation of Ukraine, doubtful information as well as failure to meet registration conditions or exceeding competence in relation to the spheres of activities of the representative office. The denial shall be submitted in written form specifying motives thereof.

**Article 25. Subsidiary Banks, Branches and Representative Offices of a Ukrainian Bank on the Territory of Other Countries**

Ukrainian banks shall have the right to establish subsidiary banks, branches and representative offices on the territory of other countries on the basis of a permit of the National Bank of Ukraine. The same requirements are set forth for opening subsidiary banks, branches and representative offices of Ukrainian banks on the territory of other states as those for opening branches and representative offices of banks on the territory of Ukraine, on condition that the National Bank of Ukraine grants a permit for investments abroad in connection with the establishment of a branch or a representative office of the bank on the territory of another country.

In order to establish a subsidiary bank, branch or representative office of a Ukrainian bank abroad, this bank shall provide the National Bank of Ukraine with a business plan and economic substantiation of the expediency for establishing a subsidiary bank, branch or representative office of the bank abroad.

The subsidiary bank, branch or representative office of a Ukrainian bank on the territory of another country shall undergo registration in conformity with the legislation requirements of the respective country.

Within one month the bank must inform the National Bank of Ukraine about the opening of a subsidiary bank, branch or representative office on the territory of another country and provide copies of the relevant documents on their registration.

**Chapter 5
REORGANIZATION OF A BANK**

**Article 26. Ways for Bank Reorganization**

The reorganization of a bank shall be performed voluntarily upon a decision of its owners, or coercive upon the decision of the National Bank of Ukraine.

A reorganization can be carried out by a merger, annexation, splitting, separation and transformation.

**Article 27. Conditions for Bank Reorganization**

The procedure for coercive reorganization of banks is set forth by the present Law and normative acts of the National Bank of Ukraine.

Reorganization upon the decision of bank owners shall be carried out in accordance with the legislation of Ukraine on economic entities provided that a preliminary permit was obtained from the National Bank of Ukraine.

In order to obtain a permit for bank reorganization, an application shall be submitted to the National Bank of Ukraine with the necessary substantiation and calculations, which would testify to positive consequences for the depositors and other creditors of the bank.

The National Bank of Ukraine shall not give a permit for a bank reorganization in the event that there are sufficient grounds to believe, that the reorganization poses a threat to the interests of depositors and other creditors, and the bank, established as a result of the reorganization, will fail to meet requirements regarding economic norms of its activity, bank registration procedure and licensing of their activity.

The National Bank of Ukraine shall grant a permit or issue a rejection for the reorganization of the bank within one month from the moment the application of the bank for reorganization was received.

Coercive reorganization shall be carried out in case of significant threat to the bank’s solvency.

**Article 28. Decision on Reorganization**

The decision on reorganization of a bank, with the exception of transformation, shall include the following data on:

1) An agreement on reorganization in case of a merger or unification.

2) The appointment of commission members to carry out the reorganization.

3) The appointment of members of the auditing committee for carrying out an inventory, audit of material values, registered with the bank (banks).

4) The appointment of an independent auditor that has a certificate of the National Bank of Ukraine
5) The time limits for reorganization.

6) The composition of the Management (Board of Directions) after the reorganization.

The reorganization shall begin after the National Bank of Ukraine approves the reorganization plan, which, apart from all other necessary measures, should envisage the submission to the National Bank of Ukraine of relevant documents, which are necessary for the state registration of the new bank or for registration of the changes and amendments to the foundation documents of the existing bank.

The bank shall be considered reorganized at the moment the National Bank of Ukraine introduces changes and amendments into the State Bank Register.

In case of coercive reorganization, decisions envisaged by pp. 2-6, part 1 of this Article shall be taken by the National Bank of Ukraine, and the agreement on reorganization shall not be signed. General conditions for reorganization shall be set forth in Resolution of the Management of the National Bank of Ukraine, and be binding for execution by all the parties.

**Article 29. Agreement on Merger or Unification**

The agreement on merger or unification shall be concluded in a written form by banks being reorganized through merger or unification.

The agreement on merger or unification shall contain provisions that regulate issues set forth in Article 28 of the present Law.

The agreement on merger or unification shall enter into force the moment it has been approved by a 2/3 majority of shareholders (participants) at a general meeting of each bank.

**SECTION III**

**CAPITAL, MANAGEMENT AND REQUIREMENTS TO ACTIVITY OF BANKS**

**Chapter 6**

**CAPITAL, FUNDS AND RESERVES OF A BANK**

**Article 30. Structure of a Bank Capital**

The capital of a bank shall include:

1) Fixed capital.

2) Supplementary capital.

The fixed capital of a bank includes paid-in and registered authorized capital and disclosed reserves, which are formed or increased at the expense of retained profits, share premiums and additional contributions of the shareholders into the capital, general risk coverage fund, which is formed against undetermined risk in the course of banking operations, with the exception of losses for the current year and nonmaterial assets. Disclosed reserves also include other funds of the same quality, which should correspond to the following criteria:
1) Deductions to the funds should be made from profits after taxation or from profits before taxation, adjusted for all potential tax liabilities.

2) Funds and cash inflow and outflow should be separately disclosed in the published statements of the bank.

3) Funds should be placed at the disposal of the bank for compensation of losses in order to use them unlimitedly and immediately in case of incurred losses.

4) The losses cannot be covered directly from the funds. They should be recorded using the profit and loss calculation.

If approved by the National Bank of Ukraine, the supplementary capital can include:

1) Undisclosed reserves (except for the fact that such reserves are not reflected in the published balance sheet of the bank, they should be of the same quality and nature as disclosed capital reserve).

2) Revaluation reserves (fixed assets and unrealized value of the "hidden" revaluation reserves resulting from long-term holding of securities recorded in the balance sheet at the historic cost of their purchase);

3) Hybrid (debt/capital) capital instruments, which should meet the following criteria:
   they are unsecured, subordinated and fully paid;
   they cannot be cancelled upon the initiative of the holder;
   they can freely participate in the covering of losses without demanding that the bank terminate trading operations;
   they allow delay in commitments servicing as to interest payments in case profitability level does not allow to perform such payments.

4) Subordinated debt (ordinary unsecured debt capital instruments, which under contract conditions cannot be withdrawn from the bank earlier than after a 5 year period, and in case of bankruptcy or liquidation shall be returned to investors after reimbursement of the claims of all other creditors). Meanwhile the amount of such funds, included into the capital, cannot exceed 50% of the fixed capital with the annual decrease by 20% of its original value within the last 5 years of the contract.

The National Bank of Ukraine has the right to determine, in the form of its Resolution, other articles of the bank balance sheet to be included into the supplementary capital as well as conditions and procedure for such inclusion. The supplementary capital cannot exceed 100% of the fixed capital.

**Article 31. Authorized Capital at Moment of Bank Registration**

The minimum size of the bank-authorized capital at moment of registration cannot be less than, as follows:
1) 1 million EURO - for local cooperative banks;

2) 3 million EURO - for banks that carry out their activity on the territory of a certain oblast;

3) 5 million EURO - for banks that carry out their activity on the entire territory of Ukraine.

The recalculation of the amount of authorized capital into hryvnas shall be carried out according to the official foreign exchange rate, established by the National Bank of Ukraine on the day of payment.

The bank shall be obliged to adjust the size of the capital as to devaluation index or revaluation of inflation at the expense and within the limit of gross revenue or total costs of the bank according to methods established by the National Bank of Ukraine.

The National Bank of Ukraine has the right to establish, at the moment of registration, a differentiated minimum size of authorized capital for separate types of banks depending on their specialization. This size shall not be less than the amount specified in this Article.

**Article 32. Procedure of Forming Bank Capital**

The authorized capital of a bank shall be formed in accordance with the requirements of the present Law, the legislation of Ukraine and the foundation documents of the bank.

The forming and increase of the authorized capital can be carried out exclusively through monetary contributions. Monetary contributions for formation and increase of the authorized capital of a bank by Ukrainian residents shall be provided in Hryvnias, while the non-residents provide contributions in freely convertible foreign currency or in Hryvnias.

The authorized capital of the bank shall not be formed from unsanctioned sources.

A bank shall have the right to increase its authorized capital after all participants have fully fulfilled their commitments in respect of payment for their shares and previously declared subscribed capital has been fully paid.

A bank does not have the right to decrease the size of the regulatory capital lower than the established minimum level without approval of the National Bank of Ukraine. The capital of the bank cannot be less than the authorized capital.

It is prohibited to use budget funds for the bank capital formation if these funds have a different targeted purpose.

**Article 33. Bank Shares and Stock**

Banks shall issue their own shares and announce subscription to stock in compliance with the Ukrainian legislation on economic entities and securities taking into account the specific points defined by the present Law.

Banks are not allowed to issue bearer shares.
Existence of the losses is not an obstacle for announcing subscription to the shares or stock of the bank or increase of the authorized capital of a bank.

Banks shall have the right to purchase own shares or stock with further notification of the National Bank of Ukraine on concluded contracts, which should be sent within 5 days after the date the contract was signed. Banks cannot purchase own shares if this can lead to a decrease in the fixed or regulatory capital lower than the minimum level.

The bank shall, 15 days prior to the signing of a contract, notify the National Bank of Ukraine in writing about its intention to acquire 10 and more percent of own shares or stock of the general issue. The National Bank of Ukraine shall have the right to prohibit such purchase of bank’s own shares or stock if this can lead to the worsening of the bank’s financial condition.

The issuer bank sells own shares on the primary market directly or through underwriters. The Bank shall be permitted to act as an intermediary for the purchase and sale of own shares or stock.

**Article 34. Essential Participation**

A legal entity or individual wishing to acquire an essential participation in a bank or increase it so that this entity or person would directly or indirectly own or control 10%, 25%, 50% and 75% of the authorized capital or voting rights of bank management bodies shall be obliged to obtain written permission from the National Bank of Ukraine.

To obtain such permission, the applicant must submit information, specified in normative acts the National Bank of Ukraine concerning the financial condition and business reputation of the future owner of the essential participation of the bank.

The National Bank of Ukraine must approve or reject the application for a permit to purchase or increase essential participation of a bank within one month upon receipt of a complete package of required information. The refusal to grant a permit for the purchase or increase of essential participation of a bank shall be submitted in written form specifying relevant reasons.

The National Bank of Ukraine does not grant permission for the acquisition or increase of the essential participation in a bank in accordance with part 1 of this Article in the following cases:

1) The person who will acquire the essential participation does not have an impeccable business reputation. If the applicant is a legal entity, this criterion shall cover members of the executive body and Supervisory Council of the legal entity, as well as holders of essential participation that are individuals.

2) The absence of own funds in an amount, adequate to make the declared contribution.

3) The purchase or increase of essential participation will threaten either the interests of holders and other creditors of the bank, or the development of the competitive environment in the banking system
If any person holds an essential participation in a bank, or increases his participation in a bank to the level set forth in part 1 of this Article without obtaining the written permission from the National Bank of Ukraine, the latter shall have the right to prohibit direct or indirect, full or partial use by such a person of voting rights of acquired shares (stock) and any participation in the management of bank affairs.

In case there is a prohibition to exercise voting right, the right to participate in the voting shall be transferred to the authorized person, who is appointed by the National Bank of Ukraine upon the petition of the bank. The authorized person shall, in the process of the voting, be obliged to act in the interests of qualified and prudential bank management.

The decisions of a general meeting of participants that were made with the use of the voting right of acquired shares (stock), with respect of which a temporary prohibition of using it is established, shall not have a legal force.

**Article 35. Adequacy of Capital**

The banks, as well as essential participation holders shall be obliged to maintain the parity norms between the size of a regulatory capital and amount of the risk-weighted assets - capital adequacy. Banks are obliged to maintain their regulatory capital at a level, which is not less than 8% of the risk-weighted assets and off-balance sheet liabilities. For a bank, which starts its operational activity, this norm must be 15% within the first 12 months and not less than 12% within the next 12 months. The National Bank of Ukraine also has the right to set the minimum parity ratio of the regulatory capital to aggregate assets.

The procedure for calculating the size of bank capital and capital adequacy, minimum size of bank regulatory capital is stipulated by the present Law and the normative-legal acts of the National Bank of Ukraine.

If the level of the regulatory capital of the bank reaches a level lower than the one established by the National Bank of Ukraine, the bank shall be obliged, within one month, beginning with the day the decrease of capital was established, to submit a plan detailing the procedure and terms of restoring the regulatory capital level for the consideration of the National Bank of Ukraine.

The bank shall be prohibited to pay dividends or distribute capital in any form if such payments or distribution will lead to violation of the capital adequacy ratio.

Bank capital cannot be less than the amount of the minimal size of statutory capital, as established by Article 31 of this Law.

If the bank fails to receive any profit for the previous year, the bank shall be allowed to pay the dividends or distribute the capital in any form within the sum, which does not exceed 50% of difference between bank capital and regulatory capital level.

**Article 36. Reserve and Other Funds of the Bank**

Banks shall be obliged to form reserve funds to cover unforeseen losses for all articles of assets and off-balance commitments.
The amount of allocations to the reserve fund shall not be less than 5% of bank profit until the reserve fund reaches 25% of bank regulatory capital.

Should the activity of the bank pose a threat to the interests of the depositors and other creditors of the bank, the National Bank of Ukraine has the right to require from the bank an increase in the size of the reserve and annual allocations thereto.

The banks shall be obliged to form other funds and reserves to cover losses from assets in conformity with normative-legal acts of the National Bank of Ukraine to.

1) Transactions with foreign values.

2) Issue of own securities.

3) Organization of the purchase and sale of securities upon the instruction of clients.

4) Performance of operations on the securities market on own behalf (including underwriting).

5) Granting of guarantees, bails and other liabilities in favor of third persons that envisage their execution in monetary form.

6) Acquisition of the right to claim the fulfillment of liabilities in monetary form for the delivery of goods and rendering of services, accepting the risk for the fulfillment of these claims and receipt of payments (factoring).

7) Leasing.

8) Responsible safekeeping and renting of safes for storing valuables and documents.

9) Issue, purchase, sale and servicing of checks, bills of exchange and other negotiable payment instruments.

10) Issue of bank payment cards and performance of operations using these cards.

11) Provision of consulting and information services pertaining to banking operations.

Operations, defined in pp. 1-3, par 1 of this Article, are exclusive banking operations, the aggregate performance of which is permitted only to the legal entities possessing a banking license. Other legal entities have the right to provide operations, which are set forth in pp. 2-3, part 1 of this Article, on the grounds of the license to perform separate banking operations, while other operations and agreements stipulated by this Article may be conducted in accordance with the procedure set forth by legislation of Ukraine.
Banks may also conduct the following operations with written permission from the National Bank of Ukraine:

1) Investment into the authorized funds and shares of other legal entities.

2) Issuance, putting in circulation, repayment (distribution) of a state and other monetary lottery;

3) Transportation of currency values and encashment of funds;

4) Operations, on behalf of clients or on own behalf:
   with money market instruments;
   with instruments based upon exchange rate and interest;
   with financial futures and options.

5) Trust management of funds and securities, upon agreement with legal entities and individuals.

6) Activity as a depository and the keeping of a register of holders of own registered securities.

The National Bank of Ukraine shall establish a procedure for granting permission to banks to conduct operations set forth in pp. 1-4, part 2 of this Article. Such permission shall be granted if:

1) The bank’s regulatory capital level meets requirements of the National Bank of Ukraine, which is confirmed by an independent auditor;

2) The bank is not the subject of any enforcement action;

3) The bank has presented a plan, specifying how such activity will be carried out, and approved by the National Bank of Ukraine;

4) The National Bank of Ukraine concludes that the bank has sufficient financial capabilities and the necessary experts to carry out this activity.

The bank shall have the right to implement other agreements in compliance with Ukrainian legislation.

The National Bank of Ukraine shall have the right to set forth special requirements, including the requirement to raise the level of the regulatory capital of a bank or other economic norms, related to a particular type of activity stipulated in this Article.

Commercial banks shall independently set interest rates and commission fees for their operations.

*Article 48. Banking Activity Restrictions*
Banks shall be prohibited from carrying out activity in the sphere of material production, trade (with the exception of the sale of commemorative, jubilee and investment coins) and insurance, but they cannot act as insurance agent.

Specialized banks (with the exception of the savings bank) shall be prohibited from attracting deposits from individuals in the amounts exceeding 5% of bank capital.

A bank can own real estate the total value of which does not exceed 25 percent of its capital. This restriction does not include, as follows:

1) Premises that ensures technological banking functions.

2) Property that was transferred to the ownership of the bank on the right of a pledge holder under collateral agreement conditions.

3) Property obtained by the bank in order to prevent losses, on condition that the bank should alienate this property within one year from the moment of ownership.

**Article 49. Credit Operations**

In this Article, credit operations mean operations, listed in p. 3, part 1, and pp. 3 – 7, part 2 of Article 47 of the present Law.

Banks can conclude consortium-crediting agreements in order to provide joint financing. In the framework of such an agreement, the member banks determine terms for extending credit and appoint a bank, which is responsible for implementation of an agreement. Member banks shall bear risks on extended credit proportionally to funds, contributed to the consortium.

The bank shall be obliged to have a subdivision, the functions of which include extension of credit and management of crediting operations.

Banks shall be prohibited to directly or indirectly extend credit to acquire own securities. The use of own securities as credit collateral shall be only allowed with permission of the National Bank of Ukraine.

During the extension of credits, banks shall be obliged to comply with general crediting principles, including checking of the creditworthiness of the borrowers and the availability of credit collateral, and adhere to requirements concerning risk concentration, established by the National Bank of Ukraine.

A bank can not extend credit at an interest whose rate is less than the interest on credits obtained by the bank itself, as well as the paid deposit interest. Exceptions are possible only in cases when an operation will not result in losses to the bank.

A bank has the right to extend grant blank credits on condition that economic norms are complied with.

The granting of the non-interest bearing credits is prohibited except in cases specified by the law.
In case of untimely repayment of credit and interest thereof, the bank shall have the right to issue an order on the forced payment of debt obligations, if this is envisaged by the agreement.

**Article 50. Direct Bank Investments**

Banks shall carry out direct investments and operations with securities in conformity with laws of Ukraine on securities and investment activity, and in accordance with normative-legal acts of the National Bank of Ukraine.

Banks shall have the right to make investments only on the basis of written permission from the National Bank of Ukraine, which is granted in accordance with the rules and regulation set forth in Article 47 of the present Law.

The bank shall have the right to make investments without written permission of the National Bank of Ukraine in the following cases:

1) An investment into any legal entity amounts to not more than 5% of the bank’s regulatory capital.

2) The legal entity, into which investments are made, is engaged exclusively in activity connected with rendering of financial services.

3) The bank’s regulatory capital fully complies with normative acts of the National Bank of Ukraine concerning investments.

Procedure for informing on investment, stipulated in part 3 of this Article, shall be established by the National Bank of Ukraine.

It is prohibited for banks to invest into an enterprise or institution whose statute specifies unlimited liability of its owners.

The direct or indirect participation of a bank in the capital of any enterprise or institute shall not exceed 15% of the bank’s capital. Total investments of a bank shall not exceed 60% of its own funds.

These restrictions shall not apply to:

1) Shares and other securities acquired by the bank in connection with the pawnbroker’s right and not kept by a bank for more than one year.

2) Shares issued by one bank and acquired by another bank in order to create a financial holding group.

3) Securities held by the bank for not more than one year, which obtained them as a result of underwriting.

4) Shares and other securities acquired by the bank at the expense and on behalf of its clients.

The requirements set forth in Parts 2 and 6 of this Article do not apply to the activity of investment banks.
Article 51. Clearing Banking Transactions

In order to perform banking activity, banks shall open and service correspondent accounts with the National Bank of Ukraine, other banks in Ukraine and abroad, as well as banking accounts for legal entities and individuals in Hryvnias and foreign currency.

Bank settlements shall be carried out in the cash and non-cash form in accordance with rules and regulations established by the normative acts of the National Bank of Ukraine.

Non-cash settlements shall be carried out using paper and electronic carriers.

In the capacity of payment instruments, the banks in Ukraine may use payment orders, payment requests, claims-order, promissory, checks, banking payment cards and other debit and credit payment instruments, which are used in international banking practice.

Payment instruments should be properly prepared and contain data on the issuer, payment system where they are used, legal grounds for the clearing transactions and, as a rule, holder of payment instrument and fund recipient, value, as well as and other information necessary for performance of the clearing transaction by the bank in full conformity with instructions of the account holder or other initiator of the settlement operation envisaged by legislation.

In the course of the settlement operation, the bank shall be obliged to check the authenticity and formal adequacy of the document.

Article 52. Agreements with the Bank Related Persons

Agreements concluded with related persons of the bank (hereinafter – related persons) cannot envisage more favorable terms than agreements concluded with other persons. Agreements concluded between a bank and related persons, if they contain more favorable conditions, shall be recognized by court invalid from the moment of their conclusion.

For the purposes of this Law, the following are considered to be related persons:

1) Bank managers.

2) Holders of essential participation in the bank.

3) Close relatives, spouses, husband, wife, children, parents of any persons, specified in pp. 1) and 2).

4) Affiliated persons of the bank, managers and holders of essential participation in such affiliated persons, as well as their close relatives.

Conditions that are more favorable include the following:

1) Acceptance of a collateral for fulfilling obligations that is of a lower value, than that required of other clients.
2) Purchase of low-quality property or property at an overestimated price from the related persons.

3) Making an investment into securities of a related person that the bank would not have invested in another institution.

4) Payment for goods or services from a related person at a price higher than ordinary, or under circumstances when these same goods or services would never have been procured from another party.

A bank can conclude agreements with related persons, which envisage calculation of interest rate and commission for banking operations, which are lower than the ordinary ones, and calculation of the interest rate on deposits, which are higher than ordinary ones in case a bank’s profit allows this without any harm to the bank’s financial development.

It is prohibited for a bank to extend credit to any person: to cover liabilities of this person to a related person of the bank; to acquire the assets of the bank’s related person; to acquire securities, placed or underwritten by the bank’s related person, with the exception of goods manufactured by this person.

By issuing its order, the National Bank of Ukraine can introduce restrictions of the sum of agreements with related persons.

**Article 53. Ensuring Competition in the Banking System**

It is prohibited for banks to conclude agreements with the aim of limiting competition and monopolizing crediting terms, other banking services, and the setting of interest and commission fees.

It is prohibited for the bank to set interest rates and commission fees, which are lower than the cost of services in this bank.

It is prohibited for the bank to take any other actions for the implementation of unfair competition in its practice.

Facts of unfair competition in the rendering of any banking services or conducting operations shall be grounds for prohibiting the bank from further providing such services or operations.

**Article 54. Authenticity of Advertising**

It is prohibited for banks to distribute any form of advertising that contains false information on their activity in the sphere of banking services.

The National Bank of Ukraine has the right to impose enforcement actions on banks and other persons, which/who violate requirements of this Article

**Chapter 9**

**RELATIONS WITH CLIENTS**

**Article 55. Regulation of Relations with Clients**
Relations between a bank and its clients are regulated by the legislation of Ukraine, normative-legal acts of the National Bank of Ukraine and agreements (contracts) concluded between clients and the bank.

The bank is obligated to exert maximum efforts to avoid conflicts of interest of bank employees and clients, and conflicts of interest between bank clients.

It is prohibited for the banks to demand that clients acquire any product or service from the bank or from the bank’s affiliated or related party as a mandatory condition for the rendering of banking services.

**Article 56. The Right of Clients to Receive Information**

A client shall have access to information on bank activity. Banks shall be obliged to provide the following information upon the request of clients:

1) Data, which is subject to mandatory publishing, on financial indicators of the bank’s activity and its economic status.

2) List of bank managers and its separated subdivisions, as well as legal entities and individuals, which/who hold an essential participation in the bank.

3) The list of services provided by the bank.

4) The price on banking services.

5) Other data and consultations pertaining to the provision of banking services.

**Article 57. Guarantee of Individual Deposits**

The deposits of individuals in commercial banks shall be guaranteed in accordance with the procedure foreseen by the legislation of Ukraine.

The deposits of individuals in the State Savings Bank shall be guaranteed by the State.

**Article 58. Bank's Responsibility for Its Liabilities**

The bank shall be responsible for its liabilities with all its property in accordance with the legislation of Ukraine.

The bank shall not be held responsible for non-fulfillment or untimely fulfillment of its obligations in case of a moratorium on meeting the demands of creditors, suspension of accounts operations, arrest of own bank funds on its accounts by authorized bodies of state power.

The bank participants shall be held responsible for the bank’s liabilities in accordance with the laws of Ukraine and bank Statute.

**Article 59. Arrest, Suspension of Operations with Accounts and Exaction**

The property and other funds of a bank, placed on its accounts, as well as funds and other valuables of legal entities and individuals, placed with a bank, may be arrested only upon
the order of an investigator, sanctioned by the prosecutor, or an order of a State executor in cases stipulated by the laws of Ukraine, or by judgment.

The property can be released from arrest only by the order of the body that took the respective decision, or by the judgment.

The suspension of own expenditure transactions of a bank with its accounts, as well as the suspension of expenditure transactions with accounts of legal entities and individuals, shall be carried out by authorized state bodies in conformity with the legislation of Ukraine and exclusively in cases stipulated by the laws of Ukraine.

It is prohibited to impose arrest on the correspondent accounts of a bank or suspend all operations with these accounts.

Operations with accounts can be resumed by the body which took the decision to suspend them or by a court decision.

Exaction of own funds of a bank, money and other valuables of legal entities and individuals with the bank is exercised only upon the executive documents envisaged by the laws of Ukraine.

A judgment of the court on exaction of funds placed in the accounts of legal entities or individuals, the expenditure transactions with respect to which were suspended by an authorized body, shall be executed immediately and unconditionally, with the exception of cases when a moratorium is imposed in accordance with this Law.

Chapter 10
BANKING SECRECY AND CONFIDENTIALITY OF INFORMATION

Article 60. Banking Secrecy

Information on the activity and financial condition of a client, that became known to the bank through dealings with him/her, or to any third parties through the rendering of banking services, and the disclosure of which can inflict material or moral damage to the client, shall constitute banking secrecy.

In particular, banking secrecy includes:

1) Data on the state of clients’ accounts, including correspondent accounts of banks with the National Bank of Ukraine.

2) Transactions on the behalf of or upon instructions of a client; contracts executed by the client.

3) Financial and economic condition of clients.

4) Security systems of the bank and clients.

5) Information on organizational and legal structures of the client legal entity, its managers and activity directions.

7) Management of gold and currency reserves, including currency interventions.

8) Transactions with securities in the free market.

9) Import and export of capital.

Article 67. Purpose, Organization, Grounds and Scope of the Supervision

The main objective of bank supervision is to ensure stability of the banking system and protect interests of depositors and creditors of the bank in respect to the safekeeping of client funds on banking accounts.

Supervisory activity of the National Bank of Ukraine covers all banks, their subdivisions, affiliated and related persons of banks on the territory of Ukraine and abroad, offices of foreign banks in Ukraine, as well as other legal entities and individuals as regards compliance with requirements of this Law in carrying out banking operations.

In the course of its supervisory activity, the National Bank of Ukraine has the right to require that the banks and managers thereof eliminate banking law violations, fulfill normative acts of the National Bank of Ukraine in order to avoid or to prevent undesirable consequences, which could jeopardize the safety of funds, entrusted to these banks or inflict harm on proper banking activity.

During the supervision of banks, the National Bank of Ukraine can enlist the services of other institutions under the separate contracts.

In case the banking license is revoked, the National Bank of Ukraine informs relevant bodies of other countries, where this bank had branches or correspondent and other accounts.
The National Bank of Ukraine shall carry out banking supervision on an individual and consolidated basis and apply enforcement actions for violation of the banking activity legislation.

In case the National Bank of Ukraine reviews issues regarding the application of enforcement actions with respect to a specific bank, the Chairman of the Management (Board of Directors) or Chairman of the Supervisory Council of this bank shall be invited to give explanations. An exception in this case is the appointment of a temporary administrator or revoking of bank license and appointment of liquidator.

During supervision over the institutions, which carry out banking activity in other countries, the National Bank of Ukraine co-operates with relevant bodies of those countries. Notification sent by the relevant bodies of other countries, can only be used for the following purposes:

To check a license of an institution for carrying out activity.

To check the right for carrying out banking activity.

Chapter 13
ACCOUNTING, REPORTING AND AUDITING

Article 68. General Grounds for Accounting and Reporting

The banks shall organize accounting in accordance with the internal accounting policy, developed on the basis of the rules and regulations established by the National Bank of Ukraine in accordance with International Accounting Standards and regulations (standards) of Ukraine.

The accounting shall ensure a timely and full reflection of all the banking operations and provision of authentic information to users on the state of assets and liabilities, results of financial activity and changes therein.

The financial statements of every bank shall reflect the results of its activity for the reporting period.

Article 69. Reports of Banks

A bank is obliged to submit to the National Bank of Ukraine its financial statements and statistic reports on its activity, transactions, liquidity, solvency, profitability as well as the information on its affiliated persons with the aim to assess the bank’s financial status.

The National Bank of Ukraine has the right to require consolidated statements from the banks.

The National Bank of Ukraine shall establish the following for the banks:

1) Reporting forms and procedure for their compilation.

2) Frequency and time frame for submission of reports.

3) Structure of explanatory notes.
4) Minimum information subject to publication and time limits for its submission.

5) Methods for compiling the consolidated statements.

The National Bank of Ukraine has the right in certain cases to require the submission of single and temporary reports.

Each holder of the essential participation in the bank, who is a legal entity, shall be obliged to submit an annual report to the National Bank of Ukraine within the defined time limit, regarding its activity. The report should contain the following information:

1) Type of activity carried out by the legal entity.

2) Information on economic entities, in which this legal entity's participation exceeds 10 percent, in particular: the name and address of the legal entity, amount of the participation held by this person, and type of activity.

3) Balance sheet and profit account of that entity at the end of the last financial year.

The National Bank of Ukraine has the right to require submission of other periodical reports or information from the bank’s essential participation holder in order to supervise the security and stability of the bank’s financial position and to ensure adherence to the provisions of the present Law.

The financial year of the bank is a calendar year beginning on January 1st.

Financial statements of banks to be submitted to the National Bank of Ukraine must be audited annually. The audit of a bank is to be performed by an auditor that has a certificate of the National Bank of Ukraine empowering him to audit banking institutions.

The auditor’s report shall contain the following:

1) Bank balance sheet.

2) Profit and loss account.

3) Statement of movement of capital.

4) Schedule on assets and liabilities maturity.

5) Information as for the adequacy of bank reserves and capital.

The liquidator has the right to present for an auction the securities and bank’s cession, unless a different procedure of concession of the bank’s claims is set by the National Bank of Ukraine.

**Article 96. Priority of Meeting the Claims to the Bank**

Funds, which were received from liquidation procedure, are channeled to meet the creditors’ claims in the following sequence:

1) Satisfied in the first place shall be:

a) Collateral-backed claims;

b) Deposit Insurance Fund claims that arose in connection with the payment by the Fund of amounts stipulated by the legislation on deposit insurance;

c) severance payment to the dismissed bank employees, including repayment of the credit, obtained for this purpose;

d) expenses related to the liquidator’s work, including:

expenses related to the payment of state fee;

expenses incurred in the publication of the liquidation announcement;
expenses for the mass-media publication of information concerning the property sale procedure;

expenses of the liquidator related to holding and maintenance of the bank’s assets;

audit expenses;

expenses for payment for work of the employees who were involved by the liquidator to perform the liquidation.

e) obligations that emerged due to damage of citizens’ health.

The above mentioned expenses are compensated after realization of a part of the liquidation mass, unless otherwise stipulated by this Law.

2) Secondly, there are satisfied individual depositors claims, which exceed the amount, stipulated by the individual deposit insurance system, claims arising from the bank's liabilities to its employees, claims related to the damage, committed to the health and life of the individuals.

3) Thirdly, other claims shall be satisfied.

Claims of every following priority are satisfied, when the funds from selling of the bank’s property are available, and after the full satisfaction of the previous priority claims.

In case the funds are not sufficient for the full satisfaction of the claims of one priority, the claims are satisfied in proportion to the amount of claims of each creditor in the queue.

In case a creditor refuses to get satisfaction of the legally recognized claim, the liquidator does not consider the amount of this creditor’s monetary claim.

Claims, placed after the appropriate deadline, shall not be considered and shall be recognized as be repaid.

Claims, unsatisfied because of lack of property, shall be considered as repaid.

In case, when at the moment of the liquidation completion, some of the bank’s assets remain unsold and their immediate selling would result in an essential loss of their value, the liquidator shall transfer these assets to administration of the legal entity, defined by the National Bank of Ukraine, which is obliged to take actions, directed at continuation of the creditors’ claims’ satisfaction at the expense of the received assets.

Property, left after satisfaction of the creditors’ claims is transferred to the owners and property of state banks, to the relevant privatization body for its further sale. Funds, obtained from this property sale are channeled to the State Budget of Ukraine.

Property of co-operative banks remaining after the satisfaction of creditor demands shall be used under the legislation of Ukraine on the cooperation.

Article 97. Remuneration of Persons Involved in the Liquidation
Payment for the work of the liquidator and persons involved in assisting the liquidator shall be done in accordance with the procedure, established by this Law for the provisional administrator and specialists hired by him/her, and must not be lower than the payment for the work of the bank’s employees for rendering similar services taking into account scope and complexity of work.

Article 98. Completion of the Liquidation

The liquidation of the bank shall be considered complete and the bank shall be considered liquidated when the relevant entry has been made to the Register of banks upon approval of the liquidator’s report.

SECTION VI
APPEALING DECISIONS OF THE NATIONAL BANK OF UKRAINE

Article 99. Appealing Decisions of the National Bank of Ukraine

Bank or other persons under the National Bank of Ukraine authority, have the right, according to the procedure specified by the law, to appeal in court the decisions or actions or inactivity of the National Bank of Ukraine or its officials, provisional administrator or liquidator, as well as the actions or inaction of provisional administrators or liquidators. Decisions on the appointment of the provisional administrator or liquidator can be appealed in the court in the absence of grounds stipulated by this Law.

Filing the complaint shall not terminate the execution of the appealed decision.

In the course of any judicial case examination, initiated as a result or in connection with the application of this Law against the National Bank of Ukraine or its official, provisional administrator or liquidator, the provisional administrator, liquidator or expert, appointed to provide assistance to the provisional administrator or liquidator, shall be responsible for damage caused by his activity or inactivity, in accordance with terms of reference or in the course of its fulfillment within the framework of a bank’s provisional administration or liquidation, in case such activity or inactivity were intentional.

Damage, caused as a result of provisional administrator’s or liquidator’s professional mistake, is compensated under the effective legislation of Ukraine, the National Bank of Ukraine normative legal acts, and financial risk insurance contracts.

Appeals or subsequent claims or some other appeal-related judicial review shall not terminate the provisional administration process, bank liquidation or other challenged measures and decisions.
